INTERNSHIP EXPERIENCE

Axeron Services LLP *Jun 2026 – Present*
Research & Market Analysis Intern – US Equity Markets (Capital Markets)

- Identified 10–15 intraday trading setups across US equities by applying technical indicator analysis and price-action screening, achieving a 58% directional accuracy rate validated against subsequent market moves.
- Built a trade-rationale tracking log covering 40+ trades by documenting entry/exit criteria, risk-reward ratios, and stop-loss placement, improving decision traceability for performance review.

Techfest, IIT Bombay *Jun 2026 – Present*
Campus Ambassador

- Executed targeted social media and SEO outreach campaigns across 3 digital platforms to drive Techfest 2026 participation and visibility within the DAVV campus community.
- Drove 100+ student engagements by coordinating competitive research on audience trends and translating findings into content promotion strategy.
- Coordinated end-to-end planning for 2 campus promotional campaigns by managing ideation, promotion, and post-event evaluation cycles.

International Institute of Social Policy and Public Research (IISPPR) *Mar 2026 – Apr 2026*
Research Intern

- Synthesized findings from 30+ cross-referenced primary and secondary sources by applying comparative analysis frameworks across two major geopolitical case studies, structuring unstructured material into an actionable case-study framework and identifying recurring operational patterns for policy analysis.

Sanitary Campus (Family Business) *Dec 2022 – Jan 2025*
Business Operations Associate

- Evaluated customer acquisition channels and recommended a shift toward digital platforms, contributing to a 30% increase in inbound inquiries; supported B2B client relationships through lead follow-ups, pricing discussions, and order negotiations.

EXTRACURRICULARS

Sports Leadership & Achievements:

- Captain (U-13 & U-15), **Vijay Cricket Club** – led team to two consecutive tournament victories.
- Represented **Indore Division Cricket Association** at U-13 and U-15 levels.
- Highest wicket-taking fast bowler, U-15 **Late Shri Pathania Trophy 2022**.
- Runner-up, **Sfoorti DAVV Inter-College Football Tournament (2026)**.

ACE THE CASE – Case Competition — IET DAVV *April 2026*

- Analyzed a fintech case on digital payments and embedded finance (PayNexus), identifying key issues including take rate compression, rising NPAs, and regulatory cost pressures, and developed structured recommendations across pricing, lending, and market strategy under time-constrained conditions.

PROJECTS

Investor Pitch Deck – InstaBus *June 2026*

- Built an 11-slide seed-stage investor pitch deck for InstaBus, an AI voice agent SaaS startup targeting India's 26,000 Cr private intercity bus industry, including market sizing and competitive landscape analysis (OTAs, GDS players).
- Developed an Operator ROI framework showing cost recovery in month 1 for a 50-bus operator, backed by real operator testimonials from 3 live pilot customers.

UrbanNest Growth Strategy — Business Strategy Consulting Case Study *July 2026*

- Conducted market sizing and competitive benchmarking of the Indian home furnishing retail industry, analyzing 5 leading competitors on store network, revenue, target customers, and strategic positioning.
- Developed a three-year growth strategy recommending phased omnichannel expansion, operational improvements, and geographic entry into Ahmedabad and Indore, presented via an executive deck with implementation roadmap and risk analysis.
